## WARRANTY & SERVICE

### OUR PROMISE

We manufacture the highest quality products for your bike and also want to ensure the best possible service and support. Therefore we offer the original owner of Beast Components products a 5-year warranty and a lifetime crash replacement program for our entire product range.

### PRODUCT REGISTRATION

To get the manufacturer's warranty and to participate in the crash replacement program, you must register your components with us. Send us an email with a copy of the invoice and the following information to [registrierung@beast-components.de](mailto:registrierung@beast-components.de):

Name, First Name

Address

Phone number

### 5 YEARS MANUFACTURER WARRANTY

We vouch for the quality of our products „Made in Germany“. This is why we warrant our carbon products to be free from defects in material or workmanship for 5 years from the original purchase date (product registration required).

Modified, misplaced, misused, improperly installed or obviously abused Beast Components products are not covered by this warranty.

Based on this warranty, the company Black East GmbH is not liable for compensation, especially not for indirect damage caused by accidents, collateral damage and consequential damage.

### LIFELONG CRASH REPLACEMENT

We offer the original owners of Beast Components products a lifetime crash replacement program that covers all damages (optical damages are excluded) outside of the warranty, whether self-inflicted or third-party caused (product registration required).

In this case we guarantee you a one-time discount of 50% on our recommended retail price if you decide to buy any new Beast Components product in the same product category.

Please note that VAT, packaging, shipping and installation costs and any import duties are not covered.

## GENERAL INFORMATION

### INTEND OF USE

The Bottle Cage is suitable for the use on mountain and road bikes and takes bike bottles with a diameter of 74mm.

### APPEARANCE

Our components are 100% handmade. Thereby it can come to different appearances. It makes each component unique and has no influence on the safety. By direct incidence of light you get a great view of the individual fibers with partly shimmering shades.

### CARE

Clean your Bottle Cage only with water or, if necessary, with a commercial detergent.

## INSTALLATION

Mount the Bottle Cage with suitable bolts to the designated threads in your frame. Thereby you shouldn't exceed the maximum torque of 3Nm.

### DISPOSAL AND ENVIRONMENTAL PROTECTION

The statutory regulations shall apply. Whenever possible, avoid creating waste. Waste, especially carbon, lubricants, cleaners and any other fluids must be disposed in an environmentally compatible manner.
